At 11:25 pm I heard a loud crash from the street outside my home (8822 1st Street SE). I looked out the window and saw the black SUV across the street had been hit and the lights were flashing; I ran outside and noticed a gray 4 door sedan up the street so I ran up to it (approximately 50 yards). As I approached the car in the middle of the street a guy jumped out and started running toward 91st Street. He was about 5'10" tall, long hair down to his shoulders, white male, Dark

Black sweat shirt, blue jeans, tennis shoes. I saw him turn left into a housing development and continue running (toward Hagger). Neighbors called the police at 1130 on Oct 20 2013.

On Sunday Oct 20, 2013 around 11:30 I heard a loud Bang from the street in front of my house, I went outside to see what happened and saw a silver vehicle in the middle of the road that had rammed into a black SUV parked in front of my neighbors house. I saw a couple of my neighbors who also came out to see what happened.

When I turned back to look at the silver vehicle I witnessed a young male grab something out of the drivers side, I started walking towards him at which point he turned up the street and started running. I pursued him but I could not get a good description of what he looked like, he was a male approx 5'8" in height, slender build, mid-20's wearing dark pants and a dark jacket, white mid shoulder dark hair and had a thin face with facial hair. The officer first on scene transferred me in his vehicle to see if I could identify a person they had - upon driving by and having the individual look my direction I am 100% positive that he was the one I chased up the road fleeing from the scene.
